

* Steps to do Login and View Documents *

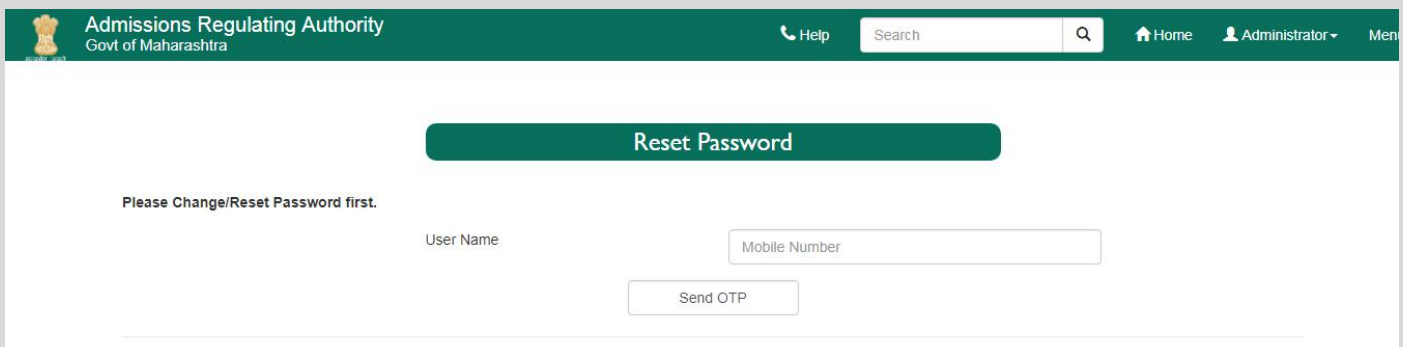

1) Go to <http://www.safalta.org> URL and click on **Log In** under students section

2) After clicked on Log In, you can see following window. In that, enter mobile number (which is provided by you to college) as a username and auto generated password received through text message on same mobile number.

3) After logged in with auto generated password you will directly redirect to Reset password page where you can set your own password.

In above field, enter same mobile number which is registered and click on Send OTP button.

4) After that you will receive OTP on mobile number and following window will be displayed
